ANNUAL REPORT (20.03.2025)

2024-2025

Respected President of the **41stAnnual Day function of Kongu Engineering College** and President of The Kongu Vellalar Institute of Technology Trust, Thiru.Dr.R. Kumaraswamy, **Esteemed Chief Guests Mr. S. Arun, Vice President – operations, ZF Rane Occupant Safety Systems Pvt Ltd., Tiruchirapalli and Ms.Radhika Ravi, Campus Hiring National Head, WILP at Wipro,** Respected Secretary of the KVIT Trust Thiru. P. Sathiyamoorthy, Respected Treasurer of the KVIT Trust Thiru. K. V. Ravishankar, Respected Correspondent of Kongu Engineering College and Kongu School of Architecture. Thiru .A. K. Ilango, Respected Correspondents of Kongu Polytechnic College, Kongu Naturopathy and Yoga Medical College and Hospital, Kongu Arts & Science College, Kongu National Matriculation Higher Secondary School, Kongu Industrial training Institute, Respected Trustees, Principals of sister Institutions, Vice Principal, Registrar, Controller of Examinations, CCOs, Heads of various Departments, Faculty Members, Staff, my dear Students, Parents, Invitees, Media persons, Ladies and Gentlemen. Good evening to every one of you. On behalf of Kongu Engineering College and on my own behalf, I extend a warm and cordial welcome to all of you on the occasion of the 41thAnnual Day celebrations of this great Institution.

This year also has been the best year for our college. Little is turning into a big flood, and with the hard work of every student studying in our college, working faculty and staff, our college has left a great track of records in all fields. Our students have secured good placements this year. Our students and faculty have exhibited their talents and contributed to the maximum to elevate our college as the best college at the National level.

The college witnessed many milestones in terms of achievements in Academics, Placements, Co-Curricular activities, Research & Development and consultancy activities. These achievements further enhanced and improved the quality of education and contributed to the over-all development of the students and college. I feel proud and privileged to present to you a brief report of the activities and achievements of the college during the academic year 2024-2025.

1.0. The College

Kongu Engineering College, an institution of academic excellence was established by the Kongu Vellalar Institute of Technology Trust in 1984 by 41 philanthropists with an aim to provide value based quality education to young aspirants of this region and impart technical and managerial skills of a higher magnitude to meet the growing needs of the society. Starting with a modest annual intake of 180 students, the College has grown to induct an annual intake of 2298 students at present. The total number of students on roll is 8806 including 366 Research scholars. Out of the total student strength, 5524 are men and 3282 are women. 9.0 Students Activities

9.1. Performance of Students in Autonomous Examinations

1761 students have been graduated from this temple of learning after passing the examinations conducted during April/May 2024.

9.2. Placement and Training

Despite the recession in the IT industry, 1,108 students have secured 1,320 placement offers from esteemed organizations through successful campus recruitment drives this year. We remain optimistic that the remaining students will be placed within the next two months.

During this year 734+ students were permitted to take internship cum job.

Some of the key recruiters offering internship-cum-recruitment opportunities include Rubrik, Zoho, Mr. Cooper, Zopsmart, FourKites, Presidio, Azentio, Infosys, Cognizant, Honeywell, Soliton Technologies, JGC, India Cements, SPIC, Tata Group, JSW, Adani Group, Applied Materials, Ford Motors, and TVS Group, among others.

We have officially commenced the placement drive for the 2026 batch, with Soliton Technologies being the first recruiter. The company selected eight students with a competitive salary package of ₹10 LPA. Several reputed firms, including Mr. Cooper, J.P. Morgan, Presidio, Infosys, and FourKites, are in the pipeline for upcoming recruitment processes.

9.3. Performance of Students in Co-curricular Activities

During this academic year, our students presented papers in various State / National level Seminars and Symposia / Symposium conducted in our institution and other institutions. Totally 4325 papers were presented out of which 1822 papers were presented in other institutions and won 184 prizes. Our students also won 312 prizes in other contests like Quiz, Technical contest, projects etc. In addition, 104 prizes won by our students in various Hackathons.

Rs.11.42lakh has been sanctioned for 8 students projects by various Government funding agencies like AICTE, TNSCST, TNSDC(Nan Muthalvan).

Conclusion

In conclusion, I would like to say that this academic year has been yet another year of sustained effort, perseverance and great success. On this occasion, I would like to point out that with the cooperation of all, the institution has done its best in all its domains and in all its endeavors, with the single-minded aim and goal to excel in curricular, co-curricular and extracurricular activities. The Faculty, Staff and Students have been doing exceedingly well and have brought laurels to this institution with the full support of the Management. In the midst of all these achievements, we would always like to remind ourselves that we have “miles to go” and that our journey continues, as we aim to achieve new mile stones in this competitive world.

On this auspicious occasion, I wish to thank all my faculty, staff and my dear students who have been responsible for elevating this institution to this level and for transforming it as one of the best Engineering Colleges in Tamil Nadu, as well as at the national level.

I owe a profound debt of gratitude to my beloved Correspondent, President, Secretary, Treasurer and all the Trustees for their support and encouragement and for providing their invaluable suggestions at all stages and also for helping us to shape this institution up as one of the best in the country.

I am confident that Kongu Engineering College, will grow in all dimensions in the future and continue to be an institution of excellence and emerge as a global institution in the years to come.

Thank You
